FAQS

How does it work for adults?

You can have as many adults as you wish at your party. They can relax in the party room or cafe area and enjoy a drink (seating not guaranteed). Spectator and Socks Combos are given to a number of adults based off the type of party you have booked to enter the play area. Additional supervising adults must purchase a Spectator and Socks Combo (\$3.50 each).

Whats in the party bag?

The party bags are handed out to each guest at the end of the party. Feel free to add additional items to each bag, just notify staff when you arrive. Our party bags include;

- A sheet of SuperPark stickers
- A SuperPark hand ball
- A sweet treat
- A SuperPark slap band

What decorations can't I bring?

You are more than welcome to bring along balloons or table decorations to make your party special. Just remember, decorations must be cleared at the end of your booking. To ensure the safety and cleanliness of the park, items like piñatas, face paint, party poppers, confetti, bubbles, sparklers, party horns, whistles, lollipops, or silly string are not allowed in party rooms. To avoid damaging the room, please do not attach decorations to the walls or ceiling.

What does the birthday child get?

A gift card will be sent the week after the party via email with a 90 day expiry.
